# THE 1965 EAGLE

Published by the Eagle Staff  
Parksley High School  
Parksley, Virginia

The seniors  
having reached  
one step, find  
there are still  
greater heights  
to climb.

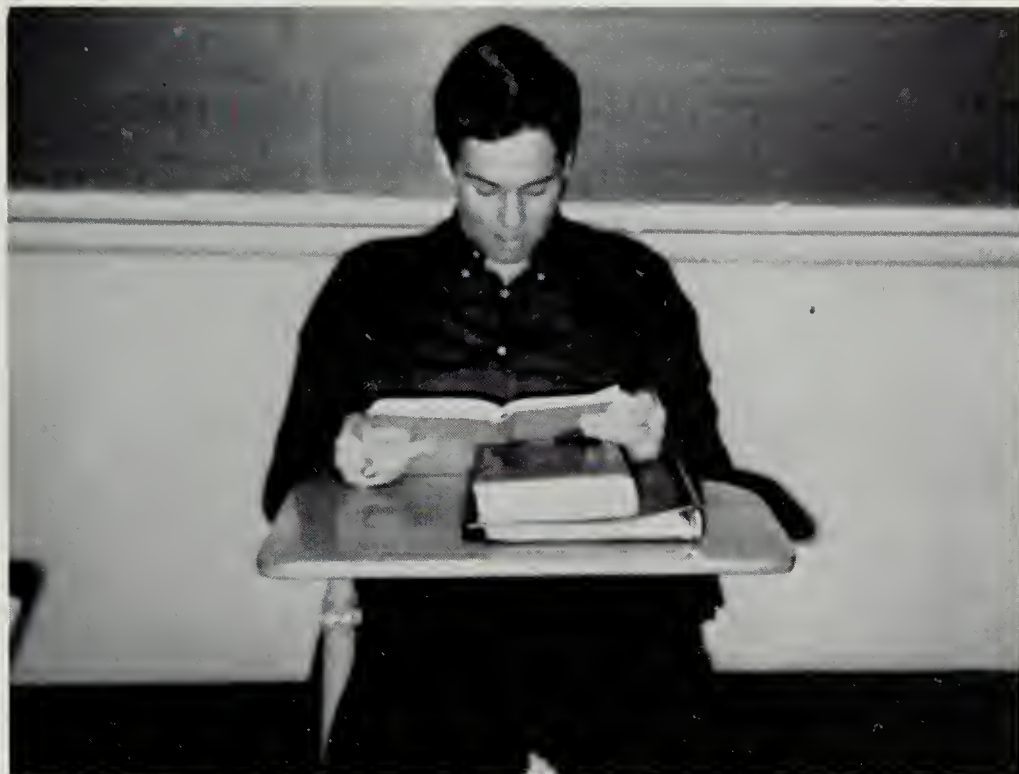

The Seniors take this opportunity to express their ideas concerning the theme for the 1965 Eagle. Since the beginning we have been constantly growing and reaching new heights in many ways. For the past twelve years, we have been climbing toward one goal--becoming Seniors. We have learned to live with others and have formed many lasting friendships. School spirit and patriotism have also come to mean more to us. Through study, we have realized some of the benefits of knowledge. By engaging in inter-scholastic activities, we have learned good sportsmanship. Having reached our goal by becoming Seniors, we discover that we have gained only another step in life and we are still "Not at the Heights, but Climbing."

The first graders  
begin their climb.

In our long climb we  
strive for the best in  
many areas.

We work for  
**scholastic  
achievement**

a deep belief in God  
and country expressed  
in

**patriotism  
and faith**

clean and school-  
spirited

**sportsmanship**

strong and lasting

**friendship**

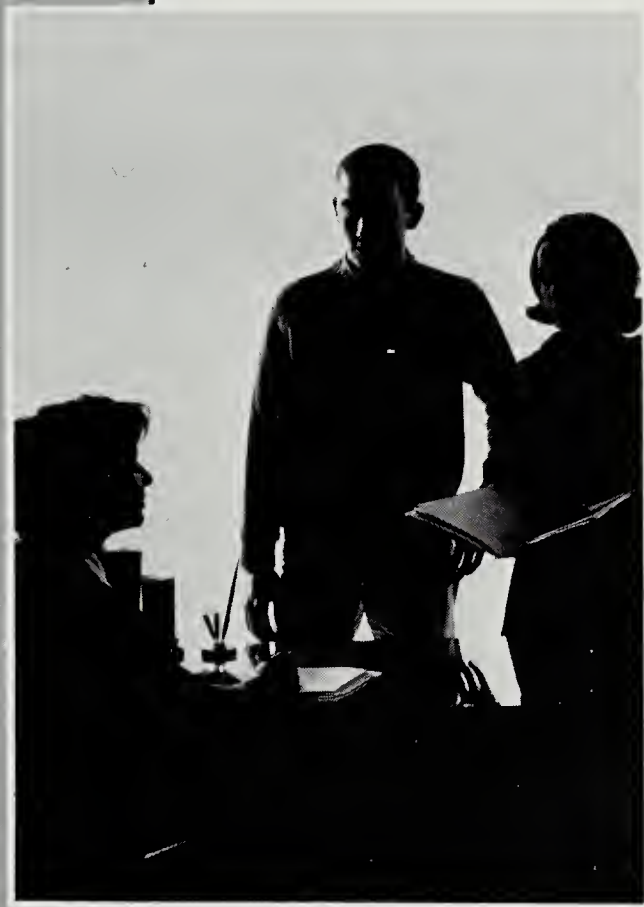

As a small token of our gratitude for her kindness and her unfailing loyalty to the Senior Class, we dedicate the yearbook to Mrs. Vera Wessells, our teacher and our friend.

Her influence in the lives of the students of this school is not of the kind that fades and dies with the passing of the years and the inevitable change of conditions; it is as indelible as the marking of time itself.

## CAFETERIA

Some of the Senior girls really dig in at lunch time especially those who missed breakfast. Of course, this is the perfect time to discuss the day's happenings.

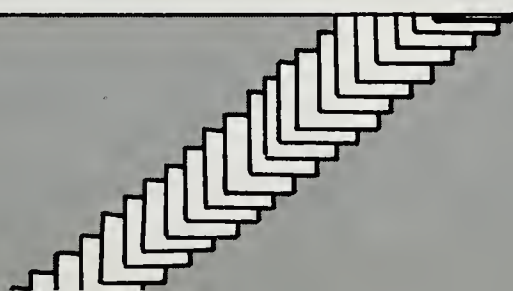

Five-minute break is always an active time for seeing people, playing pranks, and eating a snack to build up energy to keep going strong.

# ORGANIZATIONS

# BETA

Beta members and Mrs. Northam look over the American flag for which Beta members assume responsibility.

The Beta Club is a national leadership and service organization for high school students. The purpose of the organization is to honor high scholastic achievement and promote high ideals of honesty and service. Membership is open to juniors and seniors who have been able to maintain an average of 90 or better since they have entered high school.

# EAGLE'S ECHO

The Eagle's Echo is the newspaper sponsored by the Beta Club. It is staffed by members of the Beta Club and other members of the student body. The paper is a bi-monthly publication.

Special articles and covers are done for the holidays.

Since Mrs. Northam is the teacher-sponsor, much of the work is done in the commercial department.

## CO-ED HI-Y

Mrs. Wessells is with the Co-Ed Hi-Y officers who lead an active membership.

The Co-Ed Hi-Y includes both the Hi-Y and Tri-Hi-Y clubs which are related to the YMCA. Their purpose is "to create, maintain and extend throughout the home, school, and community high standards of Christian character." Their platform is "Clean Speech, Clean Sportsmanship, Clean Scholarship, and Clean Living."

# F.H.A.

Mrs. Sprague works with F.H.A. officers on the annual Christmas project.

The Future Homemakers of America is a national club to help individuals improve personal, family, and community living, now and in the future.

Eligibility is based on one semester of Home Economics Education. Under the sponsorship of Mrs. Mason Sprague, our Parksley chapter has been recognized the past five years by the state organization as an outstanding chapter.

# GLEE CLUB

The music committee receives suggestions and makes selections of music with Mrs. Sprague's help.

P. H. S. is one of the few schools fortunate enough to have a Glee Club. This club is the only musical organization in the school and is open to any student above the eighth grade who is eligible for a club and able to pass a simple tone test. The club meets one period a week, and dues are only twenty-five cents per year. Each year the Glee Club has a large number of members who enjoy singing, not only for themselves, but also for others.

# DECA CLUB

The Distributive Education Club is a relatively new but very active organization in our school. Under its program, students receive business education and on the job training. Mr. David Harwood is co-ordinator for the program.

Here D.E.C.A. members participate in a skit, which is one of their numerous activities.

# STUDENT COUNCIL

# OUR DEVOTED COACHES

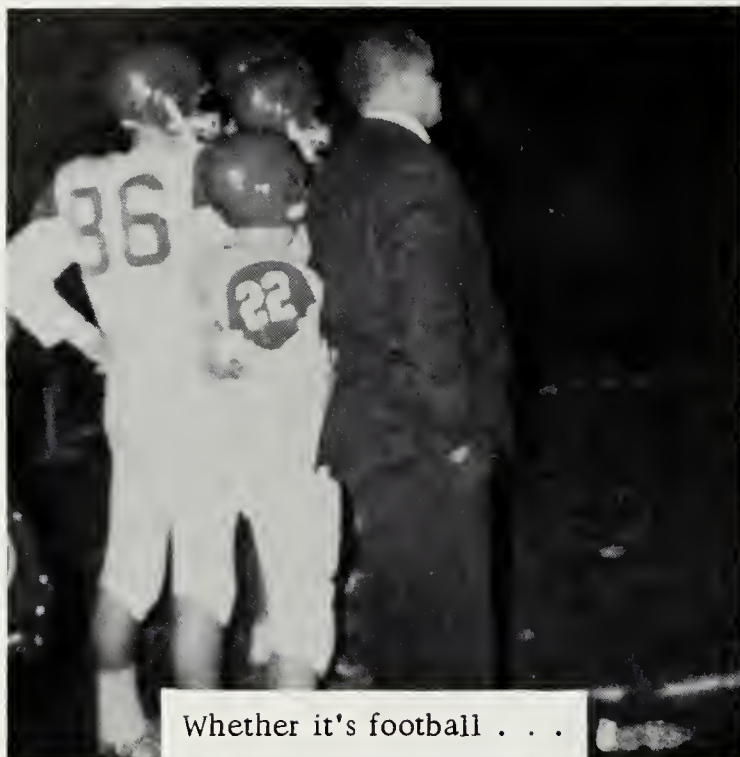

ALVIN BOYCE: Girl's basketball and softball coach.

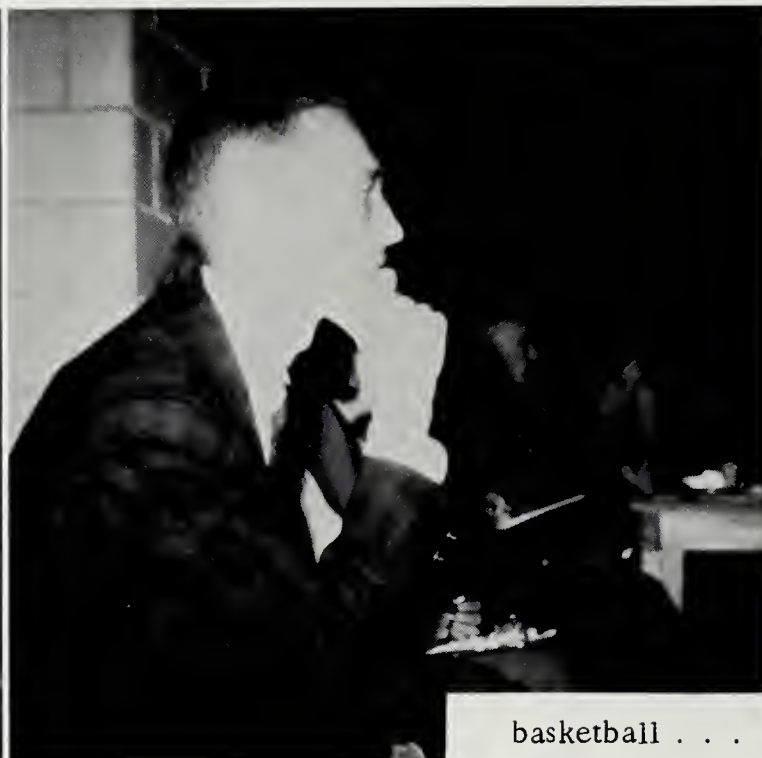

TECUMSEH BRAYBOY: Football coach.

We should like to express our deep appreciation for all our coaches have done. Sports play a great part in high school life, and our coaches have undoubtedly given us many good experiences to remember. Because they have toiled hard to bring us where we are, we feel that they have earned a very special place in Parksley High School. Mr. Sawyer, Mr. Johnson, Mr. Boyce, and Mr. Brayboy, we thank you for your time and effort. It has not been in vain.

Whether it's football . . .

basketball . . .

or baseball,

we still have our fans.

# ACTIVITIES

# GOLDWATER

It looks as if our interests have changed quite a bit in the reverse order of most senior classes. In the third grade we all had sweethearts and even took part in a Tom Thumb wedding.

# J O H N S O N

In our senior year our heads are filled with such thoughts as re-  
search papers, communism, and national elections. Our always active  
Senior class held a vigorous campaign and mock election which helped  
us to understand our government and learn a lot about our classmates.

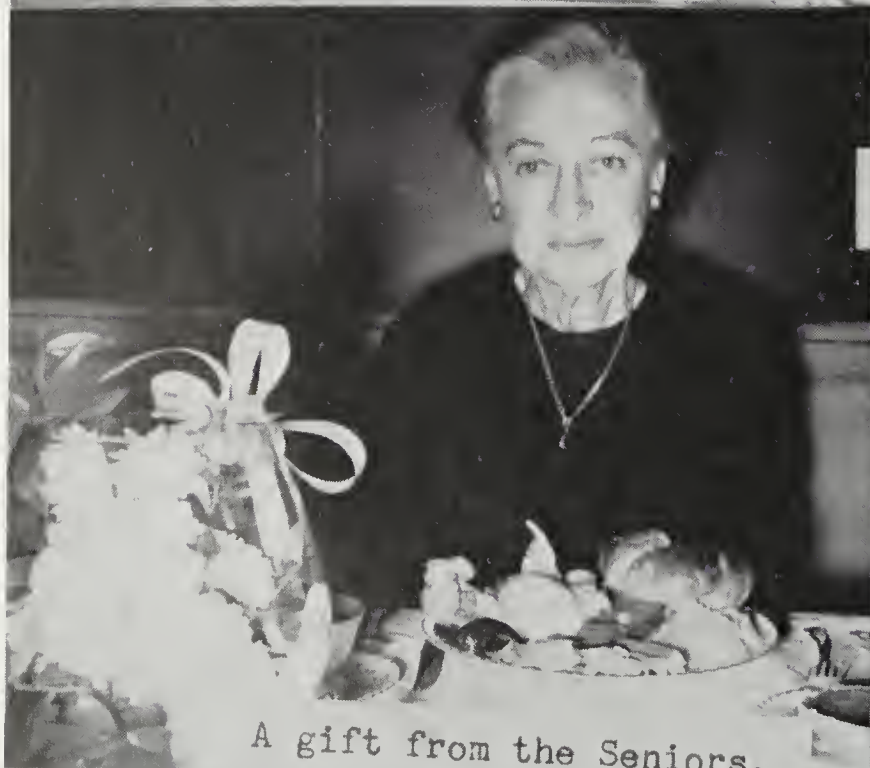

Before.... and during the Junior-Senior Play.

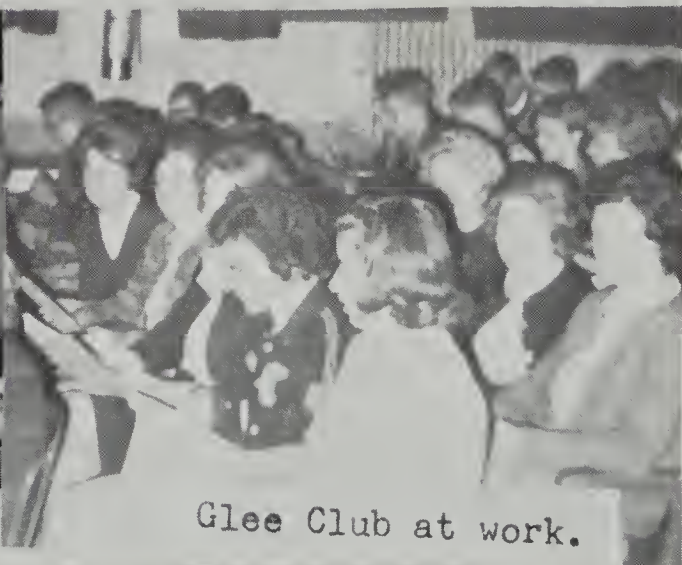

Mr. Sawyer enjoys government class!

Seniors decorate school tree.

A gift from the Seniors.

Glee Club at work.

The theme, SAYONARA, of the 1964 prom was beautifully presented as the room was transformed into a lovely Japanese garden. Reigning over the occasion were Princess - Ann Goffigon, Queen - Mary Fran Peck, King - Jonathan Kucera, and Prince - Rick Bull.

The F.H.A.'s Homecoming representatives.

Miss Parksley - Martha Middleton. 1st and 2nd runners-up - Reta Spurley and Diane Baker.

This is the staff directly responsible for the 1965 annual with their advisor, Mrs. Louise Nicolls.

Typists with Mrs. Edna Northam, business department.

An informal meeting of co-editors and some of the staff to discuss layouts.

## OUR PRINCIPAL

It was forty years ago that Mr. Charles Thornton Huckstep first came to Parksley here on Virginia's Eastern Shore to be principal of our school.

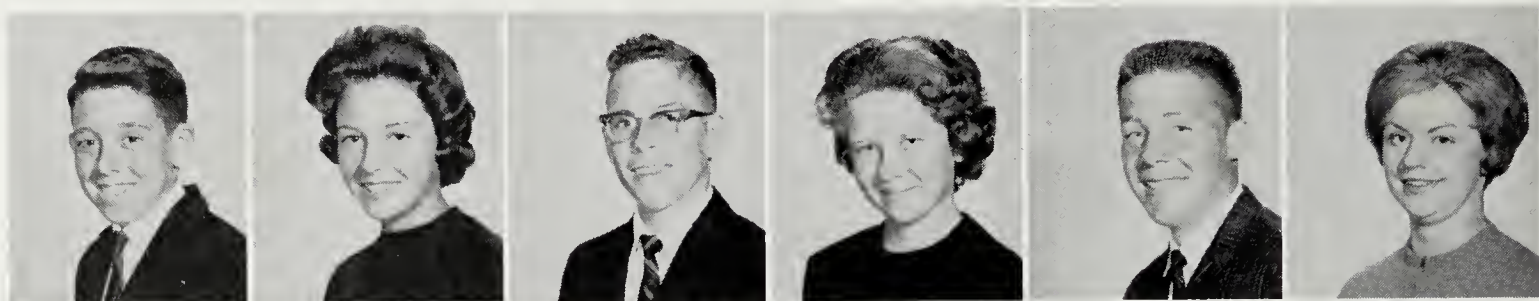

Mr. Huckstep, though born in Alabama, came to live with an uncle in Columbia, Virginia, at the age of 11. He graduated from Virginia Polytechnic Institute in Blacksburg. After teaching there for three years, Mr. Huckstep came to Parksley at the urging of the late Milton Shue, then superintendent of Accomack County Schools.

Mr. Huckstep has encountered many trials in his position as principal, but along with these trials he has enjoyed many memorable highlights.

Anyone who has ever known Mr. Huckstep as principal or teacher holds him in high esteem. He is remembered for his patient understanding, and a genuine interest in his students. As Mr. Parker Barnes, news correspondent, so aptly stated: "Chances are it is going to take quite a while for Parksley High School to seem the same without Mr. Huckstep walking its corridors. Forty years is quite a while and a lot of his footprints will remain behind."

We love our Alma Mater;  
Our pledge to her is bold,  
Our hearts and souls united  
For the black and gold.

Our symbol is the eagle,  
Our battle yell its cry;  
All our hearts are loyal  
To dear Parksley High.

We should like to take this opportunity to express our sincere gratitude to the entire staff for the hard work and co-operation necessary to make this annual a reality.

We thank Annette Thornton, Diane Baker, and Joe Ewell for obtaining the necessary advertising; Betty Justis, our business manager, for keeping our money problems straight; Ann Goffigon for promoting sales; Elsie Fuller and Barbara Annis for their hours of typing; Tommye Sue Phillips and Rick Bull for editing the sports section; and Billy Greene, our photographer, for his on the spot service whenever we have needed him.

Other than the staff members who worked diligently to edit this book there are those who deserve a note of thanks for their services: for their co-operation, the faculty; for their helpfulness, the students. Our special thanks go to the Eastern Shore News and Peninsula Enterprise for the use of some of their pictures, and most important of all to Mrs. Louise Nicolls, whose guidance and gentle prodding has made it possible to produce this annual.

We have tried in the "65" Eagle to recapture some of the events which have made our last year here so meaningful. It is the hope of the entire staff that your high school years will mean as much to you as ours have to us and that you will cherish this annual as we do. At the end of this year we depart to continue our climb to greater heights.
